

SinglesCruise.com Invites Single Travelers in their 20s, 30s and 40-Plus to Cruise with their Peers on Specialized Cruises

Four Upcoming Sailings Will Cater to Specific Age Groups

Fort Lauderdale, FL (January 15, 2015)—SinglesCruise.com, the United States’ largest organizer of hosted singles cruises, has announced details of four special cruises in 2015 that are customized for single travelers within specific age groups. The first of these cruises will cater to single travelers in their 30s and 40s, aboard Norwegian Cruise Line’s *Norwegian Getaway*, departing from Miami on February 21, 2015. SinglesCruise.com is offering a selection of ships, itineraries and activities appealing specifically to the individual age groups to provide just the right atmosphere for meeting other like-minded single travelers. Space is still available for those interested in the upcoming age-specific sailings.

“SinglesCruise.com is known for generating a sense of community among single travelers, no matter what their age or the size of our group. However, our age-specific sailings offer unique opportunities to enjoy a vacation with single travelers who are in a similar age bracket and tend to possess similar interests. For example, onboard activities such as waterslides and ropes courses are exceptionally popular with those in their 20s and 30s,” said Jody Ryland, Vice President of SinglesCruise.com. “For our 30s and 40s cruisers, many of them are busy professionals who know how to have fun but don’t have time to plan a trip with others on their own, and that’s where we step in. For our 40-plus cruisers, they feel they have earned the right to celebrate life’s successes – so they look for a more refined experience, with the highest quality onboard entertainment or unique ports on each cruise itinerary.”

SinglesCruise.com Age-Specific Cruise Highlights:

[7-Night Caribbean Getaway for 30s and 40s](#) - February 21, 2015, from Miami, FL

This Miami-based cruise takes place on one of the newest and hippest cruise ships – *Norwegian Breakaway*. The ship features an oceanfront walkway lined with bars, restaurants and shops. Broadway shows, including *Legally Blonde* and *Burn the Floor*, will entertain guests late into the evening. “Plus, we plan to weave in our own exclusive activities throughout the week, blending the ship’s groundbreaking activities with our tried and true SinglesCruise.com recipe for helping our guests to mingle and become friends,” added Ryland.

[6-Night Caribbean Conquest for 20s and 30s](#) - March 1, 2015, from Fort Lauderdale, FL

Cruisers in their 20s and 30s will appreciate this western Caribbean cruise, which features port calls in the bustling destinations of Key West, FL; Grand Cayman, Cayman Islands; and Cozumel, Mexico. Ryland stated that most cruisers in this age group relish outdoor events, and that SinglesCruise.com typically organizes more active shore excursions for them.

[7-Night Caribbean Oasis for 40-Plus](#) - April 11, 2015, from Fort Lauderdale, FL

Royal Caribbean's *Oasis of the Seas* is a major draw for the "40 and over" cruisers who will depart from Fort Lauderdale. They will visit the cruise line's private paradise in Labadee, Haiti; along with Falmouth, Jamaica; and Cozumel, Mexico. SinglesCruise.com's 40-plus cruises draw vacationers anywhere from their 40s to 70s, with the majority typically in their 50s and 60s.

7-Night Canada-New England Brilliance for 40-Plus - September 27, 2015, from Boston, MA

This itinerary includes port calls in Portland and Bar Harbor, Maine; Saint John, New Brunswick; and Halifax, Nova Scotia. "SinglesCruise.com features a sailing of New England and Canada nearly every year, due to the high demand for viewing the stunning fall foliage and visit the region's quaint fishing villages and scenic overlooks," said Ryland. "Our single guests appreciate that we tailor mixers for them on this itinerary, which is otherwise quite popular with couples."

SinglesCruise.com sailings are not charters, meaning there will be other paying passengers aboard.

However, SinglesCruise.com provides its guests with a significant number of exclusive "members only" events throughout each sailing. Perks and events for SinglesCruise.com guests include:

- Friendly, experienced cruise hosts who lead special onboard events and ensure that all SinglesCruise.com guests feel welcome.
- A complete schedule of exclusive activities including: cocktail parties, group dining, theme nights, dance lessons, speed meeting, karaoke parties and more.
- Specially-curated shore excursions that interest the single traveler, especially for their respective age groups for the aforementioned cruises.
- Complimentary roommate matching. Upon request, SinglesCruise.com will assign guests a same-gender roommate to avoid the single supplement that solo cruisers typically have to pay.
- Private online message boards and social media groups for singles to connect before their cruise and to keep friendships blooming after they return home.

SinglesCruise.com has 17 cruises and land-based vacations scheduled for the remainder of 2015. For more details on upcoming vacations, go to www.SinglesCruise.com or call 800-393-5000.
